Climate Change

John Kaye
Greens Candidate, NSW Legislative Council

Topic: Climate Change

The Greens have been combating climate change for 30 years. Now that the evidence of climate change is clear and immediate we must act.

John Kaye is a respected expert on climate change and a Greens candidate for the NSW Upper House. He will present the evidence for climate change and explain how we as individuals and communities can avoid dangerous, irreversible climate change.

Kate Brandreth
Greens Candidate for Keira

Kate Brandreth

Kate is standing for the seat of Keira in the March Election.

She graduated from Wollongong University in 2004 with a degree in Politics. Kate has travelled the world and formed innovative ideas about how we can better care for the planet and ourselves.
